

METABOLIC MADNESS

Nutritional Management of EMS & PPID

FREE

Hay Analyses!

YOU ARE INVITED!

Join us for a presentation by Dr. Erin Wilson, DVM, and enjoy dinner at the same time! Learn to nutritionally manage Equine Metabolic Syndrome and Cushings in horses. PLUS bring your hay samples to receive a FREE hay analysis in real time to help with the management of these horses.

September 11th | 6 – 8pm

@ Spikes & Houles – Forest Lake

55 SW 2nd St, Forest Lake, MN 55025

RSVP HERE:

*Please RSVP with the QR code
as dinner is provided*

EVENT SPECIAL: \$5 off ALL Cargill branded feed PLUS \$5 off coupon for next purchase

Dr. Erin Wilson, DVM, is an Equine Field Veterinarian for Cargill Animal Nutrition, representing Nutrena & ProElite throughout the Midwest, as well as a practicing equine veterinarian in central Indiana.
